

EVALUATOR AND COMMISSIONER TRAINING

Well-trained evaluators being essential to the success of the accreditation process, individuals identified to serve on visiting committees, shall receive comprehensive training which shall encompass the Commission's Standards of Membership, policies, and procedures. Such training is required of all individuals who have not previously served as an evaluator prior to undertaking a visiting committee assignment and otherwise made available from time to time for those experienced as necessitated by changes in criteria, policies and procedures.

Individuals elected to serve on the Commission on Technical and Career Institutions shall also receive comprehensive training in the Commission's Standards of Membership, policies, and procedures prior to assuming office.
